Chanson de l'Ange Book Three: The Angel's Song (Volume 3) Paisley Swan Stewart

Chanson de l'Ange by Paisley Swan Stewart is a 3 volume epic retelling of The Phantom of the Opera by Gaston Leroux. Drawing inspiration from The Opera Ghost in all his incarnations through book and film; and remaining faithful to key story elements from the classic original, the author weaves a haunting tale of Christine Daae's companionship with the mysterious Angel of Music. In the concluding chapters of Chanson de l'Ange, Christine confronts the ghosts of both her past and present. As she performs the starring role in her Angel's magnificent opera, she must brave a future where all those she loves are thrust into a soul stirring crescendo that will leave readers breathless.
