Dave Barry Is Not Taking This Sitting Down (Susie Breck, Melissa Coates): What's been getting Dave Barry all worked up lately? What can possibly induce him to rise up - yes, actually out of his chair - in indignation? Well, lots of things, including the real skinny on the IRS, Donald Trump, the airlines, and so much more...

Dave Barry Hits Below the Beltway (Laura Grafton, Melissa Coates): Below the Beltway includes Barry's stirring account of how the United States was born, including his version of a properly written Declaration (When in the course of human events it behooves us, the people, not to ask "What can our country do for us, anyway?" but rather whether we have anything to fear except fear itself) and a revised Constitution (Section II: The House of Representatives shall be composed of people who own at least two dark suits and have not been indicted recently). Tricky Business (Susie Breck, Mike Council): The Extravaganza of the Seas is a five-thousand-ton cash cow, a top-heavy tub whose sole function is to carry gamblers three miles from the Florida coast, take their money, then bring them back so they can find more money. What happens to its passengers and crew in the midst of the fiercest storm in years will change their lives and send them ricocheting off each other like a giant game of pinball.
