Little Hands, Busy Minds: Daily Curriculum for Two's and Three's Jacqueline Salazar De López

Little Hands, Busy Minds was created for teachers by a teacher. It is a compilation of nearly fourteen years of my experiences as a preschool teacher and contains a collection of art projects, math ideas, science experiments, songs and rhymes, recommended books to read, cooking ideas, and other easy-to-do activities for young learners.

Each month contains a sample letter to parents, a weekly planning web and goal, and daily projects to engage the minds of little hands.
