RDA Essentials

Thomas Brenndorfer

RDA Essentials Thomas Brenndorfer

This concise guide to cataloging with RDA: Resource Description and Access specifically hones in on the needs of those seeking a simplified path to creating basic RDA records. First describing foundational RDA concepts and vocabulary, Brenndorfer then distills RDA instructions, matching them to cataloging practice in easy-to-follow language. Current with RDA instructions through the April 2015 update to RDA, this guide makes an excellent primer while also serving as a bridge to more complex cataloging. It's an ideal resource for:

- Small libraries that require standard cataloging but don't need all the details of structure and content of the full RDA
- LIS students who need an introduction to cataloging
- Paraprofessionals seeking a ready reference for copy cataloging
- Experienced catalogers needing a quick summary of RDA practice

A handy offline access point for solo and part-time catalogers, Brenndorfer's guide also supports training and classroom use in any size institution.

From reader reviews:

Thomas Hawkins:

Do you have favorite book? For those who have, what is your favorite's book? E-book is very important thing for us to find out everything in the world. Each publication has different aim or perhaps goal; it means that book has different type. Some people feel enjoy to spend their the perfect time to read a book. They can be reading whatever they consider because their hobby is definitely reading a book. Think about the person who don't like reading through a book? Sometime, man or woman feel need book if they found difficult problem as well as exercise. Well, probably you'll have this RDA Essentials.

Maryellen Tilley:

Typically the book RDA Essentials will bring one to the new experience of reading the book. The author style to spell out the idea is very unique. In case you try to find new book to study, this book very acceptable to you. The book RDA Essentials is much recommended to you to study. You can also get the e-book from the official web site, so you can easier to read the book.

Richard Sauls:

That e-book can make you to feel relax. This book RDA Essentials was colourful and of course has pictures around. As we know that book RDA Essentials has many kinds or style. Start from kids until youngsters. For example Naruto or Investigator Conan you can read and think you are the character on there. So , not at all of book are make you bored, any it offers you feel happy, fun and chill out. Try to choose the best book to suit your needs and try to like reading that.

Rose Davies:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this RDA Essentials can make you feel more interested to read.
