Tease Trisha Paytas

Author Trisha Paytas, best known for her explosive memoirs *The History of My Insanity* and *The Stripper Diaries*, takes her first leap into erotic fiction with the shocking new novel, *Tease*. Nineteen-year-old Mary is a typical college student, working occasional shifts at a local diner to make ends meet. There she meets Preston, an older man who sweeps her off her feet almost immediately. But happiness quickly morphs into fear when Mary realizes that Preston's sexual desires are mingled inextricably with his violent ones. As Preston becomes more and more domineering, never taking "no" for an answer, Mary finds herself torn between her own blind desire and Preston's terrifying violence. As she begins to view her sexuality as the ultimate form of control, Mary finds herself enjoying even the most depraved encounters. Whether falsely accusing her roommate's boyfriend of rape or carrying on affairs with married men, Mary gleefully begins flexing her own violent tendencies. With Preston's brutality escalating, Mary descends into a world where she is teetering on the brink of insanity. Will she ever break free from the cycle of lust and power? Or will Mary go crazy in the process?

From reader reviews:

Deborah Ellefson:

What do you consider book? It is just for students as they are still students or it for all people in the world, exactly what the best subject for that? Just you can be answered for that question above. Every person has several personality and hobby for each and every other. Don't to be forced someone or something that they don't need do that. You must know how great and important the book Tease. All type of book can you see on many resources. You can look for the internet resources or other social media.

Walter Crouse:

Are you kind of stressful person, only have 10 or perhaps 15 minute in your morning to upgrading your mind ability or thinking skill possibly analytical thinking? Then you are having problem with the book compared to can satisfy your short period of time to read it because this all time you only find book that need more time to be go through. Tease can be your answer since it can be read by a person who have those short time problems.

Harriett Costello:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Tease can make you really feel more interested to read.

Beverly Thomas:

Some individuals said that they feel fed up when they reading a reserve. They are directly felt it when they get a half regions of the book. You can choose often the book Tease to make your personal reading is interesting. Your current skill of reading ability is developing when you such as reading. Try to choose simple book to make you enjoy you just read it and mingle the feeling about book and looking at especially. It is to be initial opinion for you to like to open a book and examine it. Beside that the guide Tease can to be a newly purchased friend when you're truly feel alone and confuse using what must you're doing of the time.
