The Hero's Trail T. A. Barron

What is a hero? Using the metaphor of a hiking trail, bestselling author T. A. Barron discusses the great variety of heroes and brings them to life through their own stories: Some are well known, like Wilma Rudolph, Anne Frank, and Stephen Hawking. Yet most are “ordinary kids” who have made amazing choices: saved their siblings from a fire, struggled to stop prejudice at their school, helped raise money to build a well in an African village. This book will be invaluable to kids, parents, and educators who need role models for young people to look up to—and a new way to look at what a hero is.
