The Odd Couple on Stage and Screen: A History with Cast and Crew Profiles and an Episode Guide

Bob Leszczak, Foreword by Mark Rothman

Inspired by the real life post-divorce experiences of television comedy writer Danny Simon, *The Odd Couple* has touched multiple generations of fans. Playwright Neil Simon embellished his brother Danny's pseudo-sitcom situation and created an oil-and-water twosome with memorable characters showcasing the foibles of mankind.

The original Broadway production enjoyed a run of 964 performances. The story of the cohabitation of Felix Ungar and Oscar Madison translated extremely well to the silver screen, and then in 1970 to television, where it brought weekly laughs and mirth to an even larger audience for five seasons in prime time. This thorough history details *The Odd Couple* in all its forms over the decades. It provides capsule biographies of the stage, film and television casts and crew, as well as an episode guide and a wealth of little-known information.
