The Same River Twice

Mario Alejandro Ariza

The Same River Twice Mario Alejandro Ariza

Heraclitus once said that "you never step into the same river twice." This book of 50 poems grapples with time past through concise, well constructed pieces that promise to shock and delight. The ambitious debut work of its 25 year old author, The Same River Twice promises to be as interesting in its failures as it is gratifying in its successes. It matters little, changes nothing and has a lovely laugh.
