Advances in Discourse Approaches Marta Dynel

The study of discourse is a diversified and fast-developing field of language research, embracing methodological proposals, discourse analyses, comparative research, translation studies and teaching perspectives. Within each of the approaches, theoretical frameworks and postulates abound. The list of research topics is inexhaustible, especially that each year brings new real-life material subject to analysis and issues to elaborate. Each chapter is devoted to a different topic and deploys a separate theoretical framework. The diversity of research data, methodologies and theoretical viewpoints guarantees the volume s being a representative sample of multifarious developments in discourse approaches. The book should thus be an interesting resource for enterprising researchers and students of linguistics.
