Becoming Your Own Therapist & Make Your Mind an Ocean Lama Thubten Yeshe

This book contains public talks by Lama Yeshe on the general topic of Buddhism and mind. Each lecture is followed by a question and answer session. Lama presented one of the talk to a group of psychiatrists who were delighted to meet and question Lama, and this historic exchange underscores the difference between Western and Buddhist concepts of mental health.

This expanded edition contains both of the very popular Lama Yeshe booklets, *Becoming Your Own Therapist* and *Make Your Mind an Ocean*.

Becoming Your Own Therapist

First published in 1998, this booklet contains three public talks by Lama Yeshe on the general topic of Buddhism. Each lecture is followed by a question and answer session. Lama and his audiences always enjoyed the give and take of these lively exchanges, and pretty much anything went. Although these talks were called lectures, Lama would have each of us use them as a mirror for our minds and look beyond the words, find ourselves, and become our own psychologist.

Make Your Mind an Ocean

The talks in this booklet are on the general topic of the mind. Two were lunchtime lectures at Melbourne and Latrobe Universities. One was an evening lecture given to the general public. Perhaps of greatest interest is the lecture entitled "A Buddhist Approach to Mental Illness." Lama presented this talk to a group of psychiatrists at Prince Henry's Hospital who were delighted to meet and question Lama, and this historic exchange underscores the difference between Western and Buddhist concepts of mental health.
