## **Leadership and Strategic Management in Education (Centre for Educational Leadership and Management)** Tony Bush, Marianne Coleman

Leadership and strategic management are both issues of central importance in raising achievement in schools and colleges and thus are at the heart of the educational debate today.

This book is concerned with such major issues as: the nature of strategic management in education; the importance of vision, and mission; styles of leadership; models of educational management; and the purposes of strategic management, which here are equated with the effectiveness and improvement of the institution.

It will be invaluable for students of educational management, such as those following masters degrees. It is also directly relevant to teachers and lecturers and schools of all phases and in further education colleges
