He was the man who knew all of her secrets! And now he was demanding that she provide him with an heir? What more could go wrong with her world?

Harrison had to marry and produce an heir or he'd lose his title. And he had a very short period of time in which to accomplish that miracle. Unfortunately, the only woman who had ever affected him wouldn't give him the time of day...until he discovered her brother stealing priceless artifacts out of his home. Now he could manipulate the situation to his benefit. The woman who had evaded him for so many years would finally be his!
