**From Book 1:** New hot, sexy and suspenseful serial from the New York Times Bestselling Author of The Ex Games and The Private Club. The Love Trials is a three part contemporary romance serial.

She thought she knew what was between the sheets, but she really had no idea.

I thought I knew what I was getting into when I received the invitation from the lovers academy. I thought I was going for love. I had no idea that the lovers academy cared more about what happened between the sheets than it did a meeting of the minds and souls.

This isn't your regular love story. My Prince Charming didn't ride up on a white horse and come and save me. In fact, he warned me to stay away from him. Of course, I didn't listen. Why would I? There's something so exciting about going after someone you shouldn't have.

However, I never thought it would be like this. I've never felt so conflicted in my life. No one told me that being bad could feel so good. No one told me that when the big bad wolf tells you to run away and hide, you should listen.

If I'd only known just how far from charming my prince was, I would have ignored the invitation.

Readers of this serial should be prepared for a wild sexy ride. They should also be above 18 years of age due to sexy situations.

The Love Trials 2 will be out on June 9th

The Love Trials 3 will be out on June 16th
